

## The Stopper, Foot and Corner Shield

Prevents costly delays in surgery by ensuring the integrity of sterilization wraps.

- **Eliminates holes, rips, and tears** in wrapped surgical trays, ensuring proper sterilization.
- **Enhances efficiency** by elevating the surgical tray for better air circulation, resulting in faster drying time and effective sterilant dispersion.
- **Compatible and validated** for use with all sterilization methods including steam, ETO, ozone and plasma.
- **Recyclable and environmentally friendly**, allowing you to prioritize sustainability without compromising the quality of the sterilization process.
- **Customizable size** can be easily cut to meet your specific needs.
- **Low cost and multi-use** providing an affordable solution to prevent damage and ensure proper sterilization.
- **Does NOT retain moisture.**

**SKU # 7100, 500/CS (5 bags of 100)**
